Welcome To Foundation Hub

We're so pleased you have chosen to make use of our space. We love to see our grant partners here and hope you enjoy using it.

The Hub has been designed to be user-friendly and a comfortable place to work. This guide will tell you everything you need to know to use the space easily.

We know there is a lot of information here but please do read it as it will help you to make the best use of the space.

Essex Community Foundation's offices are on the 1st floor and so a Foundation team member will always be on site. If you need help whilst you're here, please inform Steve or Emma who will assist.

We want to provide a workspace which meets the needs of our grant partners, which we are aware are constantly evolving. To help us review and adapt, please give us your feedback on Foundation Hub by emailing hub@essexcf.org.uk
